LAUSCHTOUR

Listening Tour –
Listen, discover, learn ...

Discover Landshut in a completely new way. Time and again, our history experts provide a personal listening experience. Curious about what they have to say?

Download and install the Listening Tour app for free via the App Store or the Google Play Store. Content is stored offline on your smartphone, so you won't need an Internet connection on the go. With GPS activated, the app conveniently shows you the way.

LAUSCHTOUR

City tour
Landshut

The highest brick tower in the world, the first Renaissance palace north of the Alps and the largest medieval festival in Europe – Landshut has quite a few records to offer! On this listening tour, we take you on a one-off tour through the historic city centre.

Tour duration: approx. 50 mins. **Starting point:** Landshut town hall

Route length:
2 km

●●● Scan the QR code, download the Listening Tour/Lauschtour app, and install the audio tour **City Tour Landshut**.

LAUSCHTOUR

Koenigweg
Landshut

On this listening tour/Lauschtour, we discover works of art by one of the most important German sculptors of the 20th century: Fritz Koenig. He became world-famous for his sculpture in front of the World Trade Center in New York, which survived the September 11 attack in 2001. Together with two art experts, we walk through the works that he left his hometown of Landshut.

Tour duration: approx. 45 mins. **Starting point:** In front of the KOENIGmuseum

Route length:
1 km

●●● Scan the QR code, download the Listening Tour/Lauschtour app, and install the audio tour **Koenigweg Landshut**.
